

# CHEMICpulp BP

Complementary product for the packaging of glass bottles that require a special protection. It is designed for chemical and pharmaceutical products.

It is developed in order to be officially approved by UN for transportation of ADR category. Easy to handle. Stackability results in less warehouse.

## THE VALUE OF OUR WORK:

Ecological molded product made 100% recovered, recyclable and biodegradable.

Easily handling & manipulation.

Nestables pieces, occupying little space at warehouse reducing costs.
